

Brynn Previti-Randles was born and raised in South Jersey, and has resided in Linwood, since the age of 5 years old. She attended Linwood Public Schools, from kindergarten through high school, graduating from Mainland Regional High School with the Class of 2000.

She attended and graduated from The College of New Jersey, with a Bachelor's in Health and Exercise Science, and went on her earn a Clinical Doctoral Degree in Physical Therapy, from Neumann University.

For the past fifteen years, she has been happily employed by AtlantiCare, and has held several leadership titles, over the Rehabilitation Service Line. Brynn is involved in many committees, operationalizing new clinical work for the organization, as well as implementing a variety of new objectives and goals for the clinical care teams. But, her true passion is treating trauma, brain injury and concussion patients.

The beach is her happiest place, with her husband Patrick, son Gunnar and step-sons Colin and Sean.

Brynn is honored to serve as a Linwood Board of Education Member, and looks forward to committing her energy and effort to the exceptional district, which she holds dear.
